

NCEA Welcomes Renowned Speakers

Daniel Pink

Do you wonder how your brain works in today's society? Be sure to attend the 9:00 a.m. General Session on **Thursday, March 27, 2008**, to hear Daniel Pink, renowned journalist, author, and chief speechwriter to former Vice President Al Gore. Mr. Pink's latest book, *A Whole New Mind*, charts the rise of right-brain thinking and notes the six abilities we must master in our automated world. He has several publications focused on work, business, and technology. Presently, he is working on two new books which will be published in 2008 and 2009.
